

Recycling Electronics

The University of Maine electronic waste (E-Waste) recycling program includes the following UMaine owned electronic devices:

Computer monitors (CRTs)
Computer equipment
Televisions (all types)
Printers
Fax Machines
VCRs and Camcorders
Projection Systems
Telephones and Cell Phones
Circuit Boards
Wires and Cables
And other electronic devices

Electronics recycling is easy! Just follow these few steps.

- DO NOT put your broken or unwanted electronics outside your building where your rubbish and recycling is collected from – this is not permitted under the Maine Universal Waste rules.
- Label the electronics you want recycled with a note stating “recycle” in case you are not present when they come collect the electronics.
- Call UMaine Recycles at 581-3066 when you have one or more broken or unwanted UMaine owned electronics.
- Allow 48 hours for pickup.

**For more information, please contact
UMaine Recycles at 581-3076.**

**PERSONAL ELECTRONIC
DEVICES SHOULD BE
RECYCLED THROUGH YOUR
MUNICIPAL RECYCLING
PROGRAM. CONTACT YOUR
TOWN OFFICE.**

**Why recycle your broken,
unused, or unwanted
Computer monitors, TVs and
Cathode Ray Tubes (CRTs)?**

Because it's the law.
